BMX
AUSTRALIA

If you are a BMX rider from another country, holding a UCI licence and wish to enter events in Australia, you will need to apply for BMX Australia membership.

The BMXA International – UCI membership is **only** for Riders from countries other than Australia and New Zealand who wish to ride in BMX events in Australia and hold a UCI licence. All UCI international licence holders will have insurance as this is a requirement of the respective national federation who produced the licence.

BMX Australia advises that it is the responsibility of the UCI licence holder to have their own training and competition insurance and this is a requirement of the UCI licence issuing National Federation.

When taking out your BMX Australia membership, you understand and acknowledge you DO NOT receive insurance coverage under BMX Australia's Membership insurance policy. This coverage is for AUS citizens and passport holders only.

Please note – This membership type is ONLY available to Non-Australian Citizens, Passport Holders and Residents.
